## Negotiations for this year:

- 2% Cost of Living increase on the base salary. Additionally, all certified employees will receive a \$2000.00 salary enhancement with the intent to add it to the base in the future.
- Health Benefits will be funded same as last year. District will contribute \$1600 to an HSA/HRA or the employee can choose to take that money in salary (after taxes/retirement = \$1225).
- Wording change on line 4 of contract to read "Teachers will be responsible to maintain their certification."
- Exploring a Master Contract

We are a TEAM! You don't have to do it alone!
